

“God’s Word is a Laser” – Pastor Deb Martin

Praise God for His goodness and mercy as He teaches us to become who He desires us to be. His Word shows us that He has great plans for us, even above what we can even hope or imagine in our human minds. Ephesians 3:20 says, “***Now to Him who is able to do exceedingly abundantly above all that we ask or think according to the power that works in us...***” Jer. 29:11 goes on to say, “***For I know the thoughts that I think toward you, says the Lord, thoughts of peace and not of evil, to give you a future and a hope...***” How do we get there?

We have to change our way of thinking to be in line with what the Word of God says about us and not pay attention to what we see, hear or feel, or even what the circumstances are trying to tell us. We call those things that be not as though they are and they will be. Romans 4:17 teaches that you should call yourself healed, walking in divine health instead of talking about your battle with arthritis etc. Call yourself debt free instead of worrying over bills. As you pay every bill release the anointing over it to destroy the yoke of debt. This is not silliness; this is standing on the Word of God and exercising your faith. In the natural, it doesn’t seem possible that a beam of light could cut through steel but that is exactly what a laser can do.

The light of Gods truth is the most powerful force and can cut through any bondage including debt, poverty; lack, or even our own wrong thinking. He does not desire those things for us; His word is very clear on those matters. The Word says in psalm 35:27 the latter part: “***He takes pleasure in the prosperity of His people.***” If you are not prospering financially you are out of the will of God. Also, 3 John 2 says, “***Beloved, I pray that you may prosper in all things and be in health, just as your soul prospers.***” We are all in learning stages as we have our minds renewed with the Word of God it is a journey, and He wants us to keep moving forward receiving more and more of His promises into reality in our lives. True prosperity is success in every area of our lives, physically, emotionally, mentally, financially, and spiritually.

Plant seeds of a prosperous image in your mind, confess the word of God daily over every area of your life and step into the life God desires for you.
